

Upholstery

There are 3 options for upholstery at GUBI.

1. RECOMMENDED BY GUBI ASSORTMENT

These are fabrics and leathers from our suppliers that GUBI has selected and recommends for use on our upholstery collections. We kindly ask our Partners to use these fabrics where possible.

2. NON RECOMMENDED FABRICS

If you want to order a GUBI product in a non-recommended fabric, a test will typically be required prior to placing the order in order to ensure that the upholstery suits the product and meet our strict quality requirements. The processing time for such test is typically 2-3 weeks and an administration- and testing cost will be added.

3. COM / COL

COM / COL orders will only be accepted in non-recommended upholsteries and/or if the given upholstery is sourced from a nonnominated GUBI supplier and only if the order quantity fulfill below requirements:

Dining, Bar, Counter and Meeting chairs: Minimum 6 pieces

Lounge chair and Ottoman: Minimum 2 pieces

Sofa's: Minimum 2 pieces

For COM/COL orders a test-upholstery might be needed before processing the order. This is in order to determine the suitability of the upholstery and in order to make sure it meets our strict quality requirements. The processing time for such test is typically 1-2 weeks from the upholstery is received and an administration- and testing cost will be added.

COM is Price Group 3

COL is Price Group 4

PIPING

Note: For the Bat and Beetle collection, standard piping is GUBI Basic black leather, GUBI Basic brandy leather or matching fabric. If another fabric is chosen for piping, the price increases by one price group.
