

# OUTLINE SOFA SERIES

**ANDERSSEN & VOLL ON THE DESIGN** “With the Outline Sofa Series, we wanted to create a visually light and elegant design with lots of comfort, translating aspects of modern architecture into the design through juxtaposing elements. Outline is created with slim proportions for a simple and elegant look, complemented by its generous seat and slender legs. There’s a calm serenity about the Outline Sofa Series, having a soft and deep seat with clean lines and a strong architectural presence, brought forth by its overlapping forms that bring a refined touch to the expression of the design.”
